Research interests

Number theory, algebraic geometry

Employment

- **Hebrew University of Jerusalem** — Israel
  Senior Lecturer (tenure-track) — *Fall 2023 –*
- **University of Georgia** — USA
  Limited Term Assistant Professor — *Spring 2021 – Spring 2023*
- **Mathematical Sciences Research Institute** — USA
  Postdoctoral Fellow — *Fall 2020*

Education

- **Massachusetts Institute of Technology** — USA
  PhD, advisor Bjorn Poonen — *2015 - 2020*
- **Kharkiv, V.N. Karazin National University** — Ukraine
  BSc in Pure Mathematics — *2011 - 2015*

Recent Invited Talks

- Arithmetic of fields: model theory, valuations, and geometry, Centre International de Rencontres Mathématiques, Marseille, France, 2026
- Tel Aviv University, Algebra seminar, 2025
- Algebraic Points on Curves, Institute for Computational and Experimental Mathematics, Providence, RI, 2025
- Number theory, quantum chaos, and their interfaces, Tel Aviv, 2025
- University of Virginia, Number Theory seminar, 2025
- Ben-Gurion University, Algebraic Geometry and Number Theory seminar, 2025
- Gordon workshop on Dynamics and Number theory, Hebrew University, 2024
- Isogeny-based Post-Quantum Cryptography, Hebrew University, 2024
- European Mathematics Congress, Mini-Symposia on Inverse Galois theory, Seville, 2024
- Bar-Ilan University, Colloqium, 2024
- Massachusetts Insitute of Technology, joint session of Harvard-MIT Algebraic Geometry seminar and MIT Number theory seminar, 2024
- Boston University, Number Theory seminar, 2024

Recent Service and Outreach

- REU at Hebrew University, organizer, 2026

- REU at Hebrew University, organizer, 2025
- Performance Ranking Committee, member, Hebrew University 2025-2026
- Amirim project supervisor, 2024–2025
- International Graduate Admissions, member, Hebrew University 2024-current
- "Spectra of locally symmetric geometries", Mark Gordon workshop, organizer, Hebrew University 2024
- Algebraic Geometry and Number Theory seminar, organizer, Hebrew University, 2024–current
- "Algebraic Geometry of Circles and Triangles", public lectures, International Center for Mathematics in Ukraine, 2024

Student supervision

- Dolev Cohen, 2026–current, PhD
- Eden Granot, 2026–current, PhD
- Or Schachar, 2025–2026, PhD, (temporary supervisor)
- Guy Sapire, 2024–current, PhD
- Rotem Oz, 2025–current, MSc
